

# Activate your **DNA Netti** household broadband

## Follow these steps:

1. Visit [dna.fi/tlk](https://dna.fi/tlk) (only in Finnish) and enter your address. Authenticate using your Finnish online bank identifiers, Mobiilivarmenne or DNA Tunnus. You will be taken to a page titled **Tilaa DNA Netti**.
2. Choose **DNA Netti** and click **Siirry nopeuden valintaan**.

3. If you want to activate DNA Netti at basic speed, select the lowest option in the list.
4. Click the button **Siirry modeemin valintaan**.
5. If you need a F-secure security service, you can subscribe to it on the **Valitse lisäpalvelut** page. Security service will be charged separately.
6. Press **Siirry ostoskoriin** to continue. If you are happy with your choices, go to the checkout, click **Siirry kassalle**.
7. Complete your registration by signing up using your Finnish online bank identifiers.

You can also activate DNA Netti visiting your nearest **DNA Kauppa** store. Find your nearest store at: [dna.fi/kaupat](https://dna.fi/kaupat) or call our **customer service** at **tel. 044 144 044**. Service hours Mon–Fri 8-18, Sat 9-16.30.
