Domestic use of DNA mobile phone subscriptions: Domestic data transfer is included in the monthly subscription fee for DNA mobile phone subscriptions, with the exception of the DNA Mini and DNA Numeroparkki subscriptions. **Domestic calls and messages to abroad are charged according to a separate price list; see dna.fi/ulkomailla.** The calls and text messages included in the monthly subscription fee include domestic phone calls to domestic fixed and mobile communication networks and standard priced text and sent domestically to domestic mobile phone numbers during the billing period. The monthly fee for the following subscriptions also includes standard-priced domestic multimedia messages: DNA Rajaton 3G and 4G subscriptions. The monthly fee does not include calls or text or multimedia messages to service numbers and universal access numbers or calls made or messages sent from Finland to international numbers. In addition to the service number charge or international call charge, a mobile call charge of €0.09/min is charged for calls to service numbers, universal access numbers and international numbers. Normal priced text messages sent from Finland to abroad cost €0.09/each and multimedia messages €0.40/each. If no subscription-specific terms have been stated, text messages cost €0.09 each and multimedia messages €0.40 each. DNA Mini, DNA Mini Data, DNA Numeroparkki, DNA Äly, DNA Jämpti 4G, DNA Jämpti Mini and DNA Perus subscription phone calls are charged on the basis of the duration of the call and charged on a per-minute basis for each initiated minute.

Use within the EU/EEA: When travelling in the EU and EEA countries, calls and text and multimedia messages to standard-priced numbers in Finland, the country of residence or other EU and EEA countries are charged at the domestic price. The data transfer charge is €0.0056/MB. If your subscription includes a EU data package, data transfer is free of charge within the package. Once the data transfer quota of the package has been exceeded, the charge is €0.0056/MB. More information: www.dna.fi/EUroaming.

Other international use: More information on prices: www.dna.fi/ulkomailla. In addition to the price per message, the foreign operator's data transfer fee is charged for sending and receiving multimedia messages outside the EU/EEA. The default balance limit abroad is EUR 60 per billing period.

Call forwarding: Call forwarding in Finland to DNA Voicemail and to DNA mobile subscriptions is free of charge. Other call forwarding is charged according to the price list. Call forwarding within the EU to your own DNA Voicemail is free of charge. In other countries, call forwarding is charged according to the international price list.

Calls to DNA subscriptions: charged according to the operator's price list.

Calls to voicemail are charged using the standard price that is applied to domestic calls made using the subscription type in question. Calls to voicemail from abroad are charged as other standard-priced calls made from the country in question to fixed-line and mobile numbers in Finland. Detailed information on prices: dna.fi.
